GOOD

CAPACITÀ E COMPETENZE RELAZIONALI

I am highly motivated with a tenacious and perseverant attitude. I have the ability to excel both independently and as part of a team, with experience as both a team leader and a collaborative member. I have a strong aptitude for patient interaction coupled with a keen scientific mindset.

CAPACITÀ E COMPETENZE ORGANIZZATIVE

I am proficient in organizational skills honed through extensive experience in both hospital settings and laboratory research. I have demonstrated ability to manage complex schedules, coordinate research projects, and streamline workflows to ensure efficiency and accuracy. I am skilled in prioritizing tasks, allocating resources effectively, and adapting to evolving requirements in fast-paced environments.

CAPACITÀ E COMPETENZE TECNICHE

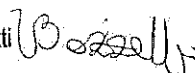

Con computer, attrezzature specifiche, macchinari, ecc.

I am skilled in utilizing office suites such as Microsoft Office (Word, Excel, PowerPoint) for document creation, data analysis, and presentations. Proficient in navigating operating systems such as Windows and MacOS. Additionally, adept at utilizing specialized software relevant to specific fields (electronic medical charts, labArchivys...), demonstrating adaptability and quick learning capabilities when presented with new tools and technologies.
